**DOLPHIN WATCHING TOUR (Fish Eye Marine Park)**  
Wild Dolphins! Enjoy the excitement of watching dolphins play in their natural playground in the deep blue ocean and a visit to our underwater observatory and get a fish eye's view of the dazzling tropical fish and other amazing marine life. Complete your adventure by dining at our most enticing Chamorro lunch buffet (Dolphin Watching with Lunch & Observatory Viewing Tour only). The deep blue water of the Philippine Sea is home not only to spinner dolphins but also to bottlenose dolphins, pilot whales, and numerous other marine mammals. A lavishly outfitted cruiser with an upper viewing deck and indoor toilet facility will take you out to the open sea. Stand on the spacious bow and look down to see the beautiful spinner dolphins in their natural habitat. Enjoy the different colors and shapes of the coral reef and sea birds and look back at the green hills of Guam as we cruise the coastline to find the dolphins.
